“Whatever you do, do your work heartily, as for the Lord rather than for men”

-Colossians 3:23

Since the last annual conference, the Tennessee Conference CDMC assisted with the 13th Districts fundraising efforts to assist its Debs and Masters, by offsetting the out of pocket cost of General Conference travel and lodging. After being impacted by the Coronavirus Pandemic, the General Conference presentation has been placed on hold until 2021. All funds raised will be allocated to the young persons who will be presented at that time.

In March, we were able to donate toiletries to three families at Park Avenue Elementary School who were affected by the tornados that ripped through the North Nashville community, which left those families without proper running water. Unfortunately, the Christian Debutante and Masters Commission of the Tennessee Annual Conference was unable to hold our Debs and Masters workshops and presentation due to the COVID-19 Pandemic. It is our prayer that we will be able to hold our workshops and celebrate our young people through presentation in 2021. We ask that the members of the Annual Conference continue to pray for our organization and the children of our conference as they navigate life during these uncertain times.

Humbly Submitted,

Sister Tiffany Ligon-Brown

Conference Commissioner
