What were the goals for the last conference year?

More active membership with in our churches.

What was accomplished on the annual conference level?

We are so delighted to proclaim that we are still holding true to the message that our Leader, Sis. Angel Wilson has given us during Planning Meeting 2017. We have supported each other in education, work, church, and fellowship. This year alone we have several members going back school and matriculate in their education. We have seen members climb the ladder in the job sector and now we see the young adults

leading their local churches and now climbing to leadership in the conference. This year we held our first Revival and Rev. Leonard Curry reminded us that job is not easy and it may feel like we're just "Doing the Dog", but if we hold on to each other we will survive.

Do you have your goals for this coming year? If so, please list.

We are continuing to push for more active membership in our local churches.
Fellowship with others outside of the church.
Pushing the young adults to do you and be you.
